Similarly people having same friendly ascendent and same friendly sign would be benefic and remain close to you. Again lucky days, years and periods of benefic planets bring prosperity, happiness & success.

Wearing favourable stones, metals and colours bring mental and physical happiness. Meditation of God gives mental peace and recital of favourable mantra brings eternal happiness. How to wear the Stone

To obtain the full benefic effects of stone, wear it while Moon is waxing on the specified day & time. Wearing it in the specified Nakshatra enhances the benefic effects of the stone. Take the stone of the size specified or greater in fractions of 1/4 Ratti rejecting fractions of 3/4 Ratti like 4-1/4 Ratti. Get it studded in the specified metal such that it touches the finger from bottom.

Before wearing it, light lamp and incense stick and meditate on your God. Clean the ring in fresh milk and the Ganga water. Perform pooja and recite the specified mantra 108 times. Then wear the stone in the specified finger of your right hand. After wearing the ring give alms as specified for that stone.

If you are already wearing a stone then avoid wearing a contradictory stone as per the table below. By wearing the stone as specified here gives more benefic results in much lesser time.

Remedies for Sade-Sati

Ill effects of Saturn's sade-sati can be reduced by giving alms, performing pooja, fasting or reciting mantra. Give alms of black cloth, Urad pulse(horse-bean), black mole, leather shoes, cereals or iron as per your capacity. Perform pooja of Lord Saturn on Saturdays. Keep fast on Saturdays. Restrict your food to Urad pulse, grams, gram flour, blackmole, black salt and fruits. Recite or get it recited by a Brahmin the following mantra for 23000 times on Saturday:-

ॐ प्रौं प्रीं प्रों सः शनैश्वराय नमः

To get benefic effects of sade-sati on health, mental peace, family happiness, finance & profession you are suggested for Maha-mrityunjaya Japa. Get the following mantra enchanted for 125000 times.

ॐ त्र्यम्बकम् यजामहे सुगन्धिं पुष्टिवर्धनम्
उर्वारुकमिव बन्धनात् मृत्योर्मुक्षीय मङ्गमृतात्

Optionally enchant 108 times the following mantra everyday in the morning:-

ॐ हों जूं सः ॐ भूर्भुवः स्वः ॐ

You are also suggested to wear an iron ring made of horse-shoe or nail from a boat. You are suggested not to wear Blue Sapphire since Saturn is not a benefic planet for you. Wear the iron ring in middle finger of right hand.

Wear this stone in waxing moon on Saturday in the evening half an hour before sun set. Pushya, Anuradha or Uttara Bhadrapad nakshatra on that day is preferred. Keep fast on that Saturday.

Before wearing the ring, clean it in fresh milk and Ganga water, light incense stick, perform pooja and recite the following mantra 108 times:-

ॐ शं शनैश्वराय नमः

After wearing the ring give alms. This will reduce the ill effects of Saturn giving peace and prosperity.

House 1 or the lagna is the most important house and being the first house all subsequent houses stand in relation to it. Everything depends upon the strength or otherwise weakness of this house. Planet positioned in this house aspects the planets positioned in house no. 7 and unburdens itself to some extent provided the house no. 7 is occupied and not vacant otherwise the planet becomes inactive or weak. This is also true if the lagna is not occupied.

This house has a special relationship with house no. 11 i.e. if house no. 11 is not occupied the planet in lagna gives good results. If there are a two or more planets in lagna Venus becomes the judge to decide about the nature of results. This means that Venus being the natural ruler of house no. 2 or the Dharmasthana or the place of worship, our own deeds or misdeeds come to play their part in the struggle for liberation.

Rahu

The native will achieve a position higher than indicated by the qualification and will obtain good results from government. Rahu in this house would give the result of exalted Sun, but it will spoil the fruits of the house in which Sun is placed. If Mars, Saturn and Ketu are weak only then Rahu would give bad results, otherwise it will give good results in 1st house. If Rahu is malefic the native should never take any electric equipments or blue/black clothes from the in-laws, else the son could be affected adversely. Its malefic result too could last till the age of 42 years.

House no. 2 is called the Dharmasthana or the place of worship. This is the house that stands for the fruits of the karmas or the deeds and misdeeds of the native. Here is the seat of Jupiter or the Jagat-Guru or the preceptor of the world at large. It also has the portfolios of wealth, education, honour and mind. For good results of house no. 2 the house no. 8 should be vacant. The results are likely to get better if house No. 2 is also vacant.

According to LalKitab if there are severe misfortunes due to the weakness of Dharmasthana or the Jagatguru or Venus, 4th house comes to the rescue. In times of adversities one should look towards the strengths of its natural significator or Moon who stands for mother as well as morality and mind. Perhaps mother's blessings may help the native tide over his/her difficulties.

Chan

The native may not have sisters, but will be having brothers. One will certainly receive the due share in parental properties. The native will receive good education, which will add to the fortune. The Business associated with the things of the Moon will prove highly advantageous. One may be a reputed teacher also. Ketu if placed in the 12th house will cause eclipse to the Moon here, which will deprive the native either of good education or of male children.

Remedies

Temple within the native's house may deprive the native of male issue.

Lal Kitab refers to house no. 3 as the the house of illness. As illness is one of the routine ways of exit one has to judge the illness and diseases from this house. This is an inauspicious and malefic house that way. Malefic in Dusthanas or inauspicious houses are normally considered to be a good placement.

According to Lal Kitab physical illness may happen when house 3 is occupied by Rahu or Ketu and houses 6 and/or 8 by malefic. In adversities this house gets strength from 12th house even though the planets in 12th house are enemies of the planets in the 3rd house. For ex. if Ketu occupies house 3 and Mars house 12, Mars being enemy of Ketu will always help Ketu in emergencies. Likewise Jupiter in the 3rd house and Mercury his enemy in 12th house, will not be able to cause any harm.

Rahu and Venus in 12th house normally govern the ill health of the partner, wife or husband - in 24/25th year of the native. On the other hand there will be all round happiness and prosperity. If the houses are occupied by two or more planets we have to assess the harm, in any, in respect of each planet and then draw our final conclusions. Mercury is the lord of 3rd house, Mars its natural Significator and Rahu shall have the dignity of exaltation.

Sani

In this house Saturn gives good results. This house is the Pukka Ghar of Mars. When Ketu aspects this house or is placed here Saturn will give very good results. The native will be healthy, wise and very intuitive. The native will have few male members in the family. As long as the native abstains from wine and non-vegetarianism, one will enjoy a long and healthy life.

Courage, mental strength and short journeys

Remedies

Keeping a dark room in the house will prove highly beneficial.

House No. 4 is the period of childhood and the prenatal period. It also covers the old age. Moon is the lord and natural significator of this house. As per Lal Kitab Moon and other planets too positioned in this house are strong by the night and also when there is some trouble. For the pre-natal period if any of the planets Jupiter, Sun, Mars or Mercury are in 4th house, the child will be safe and healthy in mother's womb before birth and even Rahu or Ketu would not be able to spoil that.

No planet gives bad effects to the affairs of this house if Moon does not occupy any of the house No. 1, 4, 7 or 10. Even the rank malefic like Rahu and Ketu become benefic for this house if Moon does not occupy any of the quadrangular houses. The bad effects of planets in house No. 4 are transferred to the affairs of the house occupied by Saturn. Jupiter gets exalted if positioned in 4th house.

Guru

The 4th house belongs to Chan, a friend of Jupiter, who stands exalted in this house. Hence Jupiter here gives very good results and provides the native the powers of deciding the fate and fortune of others. One will have money, wealth and large properties along with honour and favours from the government. In times of crisis the native will receive divine help. As one grows old the prosperity and money will increase. However if the native has built a temple at home Guru may not give the above mentioned results and the native will have to face poverty and disturbed married life.

House No. 5 is the house of progeny, the future of the native and welfare of children. How the native fares in this world shall be known from this house. Sun is the lord of this house. Jupiter is the karak graha or the natural significator of this house. So long as Jupiter is in good position there shall be peace and prosperity. This means that Jupiter should be benefic by his placement and position in the annual progressed charts.

If house 4 or 9 is afflicted the planet in house 5 shall give bad results. In case house No. 5 is occupied by Rahu and Saturn, Venus in 11th house, Ketu in 8th and Jupiter in the 10th house there shall be illness initially to the partner and thereafter the son is likely to suffer. For this loaves of bread or flour of the weight of the son should be given to dogs for 25 to 48 days.

If houses 6 and/or 10 are afflicted the articles connected with the planet inimical to the planet in 5th house should be kept under ground in the native's own house. If house No. 8 is also afflicted the article should be kept under ground in the ancestral house.

पाताल खाली घर जब तक रहता नेक असर कुल देता हे ।

House No. 6 is known as the hidden world, treasure house of mercy and providential help. It is ruled by Mercury and hence the planet here is likely to afflict the results of house occupied by Mercury, Ketu or Venus. This house is inspected by the planets in house 2 and house 8 through 2nd house. If house 6 is unoccupied there may be no transfer of the afflictions between 8th and 2nd houses. There may also be no aspect from 6th house to 12th house , therefore the planets in 2nd and 12th houses will get extra strength.

If Mercury or Rahu happen to be in house 6 there would be no bad effects of the malefic on the house because it is the house of exaltation for both of them. Ketu is the natural significator of the affairs of the house. As per Lal Kitab houses 2, 6 and 8 are mutually inter-connected with each other. While attempting and modification in any of the houses including the 6th house we have to keep in view all the three houses.

If houses 2 and 3 are occupied by benefics it would always be helpful to awaken house 6. This is possible by serving the maternal uncles (helping them) or serving the daughters of the daughter. Except Sun, Jupiter and Moon all the other planets in 6th house would be offering their own results.

Mercury and Ketu will not offer good results till the age of the planet in house 6 or 8. The question of the ages of planets will be dealt with at its proper place. Although the planets in house No. 6 are aspected by the planets in house No. 2 but the position would be reversed in the case of Saturn who will aspect house No. 2 from 6th house.

House 7 deals with family affairs, where the native has to struggle hard for fulfilling material wants of bread, clothing, housing etc. The native gets ground between the earth and the sky for food. Here Akaash, Zameen, Rizque and Akal have been used metaphorically for Venus and Mercury because both these planets are the natural signifiers and Venus is also the lord of the house. The native sweats out in search of food, clothing etc. Sun, Moon and Rahu offer the results according to the placement and position of Venus.

If these results are bad one may try some remedial measures and they shall be set right or improved but bad results due to the position of Venus cannot be improved or mitigated by remedies. In other words these results shall come to pass and the remedies may not prove fruitful. Mercury, Saturn and Ketu shall give their results at various periods.

Normally the male planets affect the male relations and the female affects the female ones. In house 7 if the planets are more than two in number only the male relatives are affected. Sun, Mars and Jupiter are the male planets. Moon and Venus are females.

Mang

If Mars is placed therein, the 7th house will be affected by Sun and Mars both, which ensures that the native's ambition will be fulfilled. Wealth, property and family will increase. But if Mercury is also placed here along with Mars, very adverse results will follow regarding the things and relations represented by Mercury e.g., sister, sister-in-law, nurses, maid servant, parrot, goats etc. Hence it would be better to keep away from them.

Marriage, married life and domestic happiness

7

Remedies

Place solid piece of silver in the house for prosperity.

Always offer sweets to daughter, sister, sister-in-law and widows.

Repeatedly build a small wall and destroy it.

Ketu

7th house belongs to Mercury and Venus. If Ketu in 7th house is benefic then the native gets the wealth of forty years in twenty four years of age. The wealth increases in proportion to the children one has. The native's enemies are frightened of the native. If Ketu in 7th house is malefic then the native is usually ill, makes false promises and is troubled by enemies till thirty four years of age.

Remedies

Never make a false promise, be proud, or abusive.

Use saffron as Tilak.

In case of serious trouble use the remedies of Jupiter.

House 8 is more into physical health and justice. Here justice means eye for eye and tooth for tooth. In other words the justice is on the basis of tit for tat. This house is shared jointly by Mars and Saturn. Both are the natural significators of the house if Sun, Moon and Jupiter singly or jointly occupy this house the bad effects remain limited to house 8 and its affairs. Saturn, Moon or Mars occupying this house singly give only good fruits. If, however, any two or all the three together join in this house they give bad results. Saturn may give severe physical problems one after the other. Moon shall affect the illness of the person.

Mars and Mercury occupying the house jointly give good results only if Saturn occupies house 2. House 8 has its influence on house 6. If any of these houses is afflicted the results will be bad for both the houses. In such cases friendly or inimical planets in 12th house which may influence the results should also be judged.

Moon is the most powerful planet for the affairs of 8th house. Moon by strength of his placement and position can undo the ill of 12th house also. The cause of the malefic nature of 8th house will be house 4 through house 2, i.e. the houses 2, 4 and 8 should be judged simultaneously. The planets in house 8, if inimical to planets in 2nd house and 11th will strike at the most vulnerable point.

House 9 is known as the commencement of luck. Lucky period of the native shall start, good or bad, when the planet in this house becomes effective. The house is considered to be a great ocean. In case the house is inert, it can be activated through house 2 if houses 3 and 5 are unoccupied. Any of the planets who have been dormant till its transit in house 9 and getting active will give results at his own age till his period is completed.

Every planet has been assigned a particular period of age. By way of illustration, if Jupiter is in house 2 and transits the house in the progressed chart he will give results at the age of 16 and continue to do so till 16 years. Planets occupying house 5 aspects the planets in house 9. If Sun or Moon occupy house 9 there will be no bad effects of even Rahu and Ketu. Jupiter is the owner of this house.

House 10 is treated as the ground for the foundation of luck. The planet transiting through this house, according to the progressed chart, becomes a doubtful planet. Nobody can be sure about the nature of the results to be given by that planet. The planet in house 9 at the time of its transit from house 10 will give bad results even though the planets in house 6 & 5 are the friends.

The nature of results would depend upon the nature of houses 8 and 2. The results will be bad if house 8 is afflicted and good if house 2 is in good shape. If house 10 is occupied by inimical planets their results shall be unpredictable. An idea of the nature of results can be formed from the position and placement of Moon. If Moon is benefic good results shall be obtained. In case house 10 is unoccupied the planets in house No. 4 will not be able to give good results. Saturn is the natural significator of this house.

House No. 11 indicates all about the native's status and condition. Personal income and earnings of the native and his relation with the world at large can be judged from this house. The results of Rahu and Ketu, if occupying the house, can be judged and they will be good normally if house No. 3 is vacant. They will however, give bad results in house No. 8. Ketu in house No. 11 would nullify the good effects of Moon and if Rahu occupies the house Jupiter's good results would be spoilt. Vice versa in each case would also be true.

Lal Kitab has given great importance to this house and planets in it. Even Rahu and Ketu give good results. If Rahu is a benefic the native shall not accept a single penny from his parents and whatever he gets will be lost to him due to one reason or the other; but all that he earns by the sweat of his own brow will be with and give him pleasure.

House No. 12 is the place of final rest according to the deeds or misdeeds of the native. House 10 reflects the physical valour etc. of the native but 12th deals with the character etc. If houses 2, 6 and 8 are occupied the native has good character. If houses 2 and 8 are occupied and there is no planet inimical to planet in 8th house the person shall command a keen intellect of very high order. If the life span is divided into 4 compartments we can judge how the native shall fare by the houses 1 to 3, 4, to 6, 7 to 9 and 10 to 12 in each part of his life respectively. Planet in No. 11, its position and placement shall give a glimpse of worldly status of the native. This can be modified by the condition of house No. 12.

For improvement of the position of 12th house one should look to house No. 1 and its planets, i.e. we can improve and get better results in house No. 12 if we can somehow improve the position of planets in lagna. If lagna is vacant we should go to house No. 2 for improvement.

Biorhythm is widely accepted and utilized throughout the world. Biorhythms are inherent cycles which regulate our metabolism, coordination, emotions, memory, and more. As our biorhythm cycles rise and fall, so does our ability to perform physical activities, deal with both physical & emotional stress, and take proper decisions.

The numbers from +100% to -100% indicate where the rhythms are on a particular day. In general, a rhythm at 0% is thought to have no real impact in our life, whereas a rhythm at +100% (a high) would give us an edge in that area, and a rhythm at -100% (a low) would make life more difficult in that area. There is no particular meaning to a day on which your rhythms are all high or all low, except the obvious benefits or hindrances that these rare extremes are thought to have in our life.

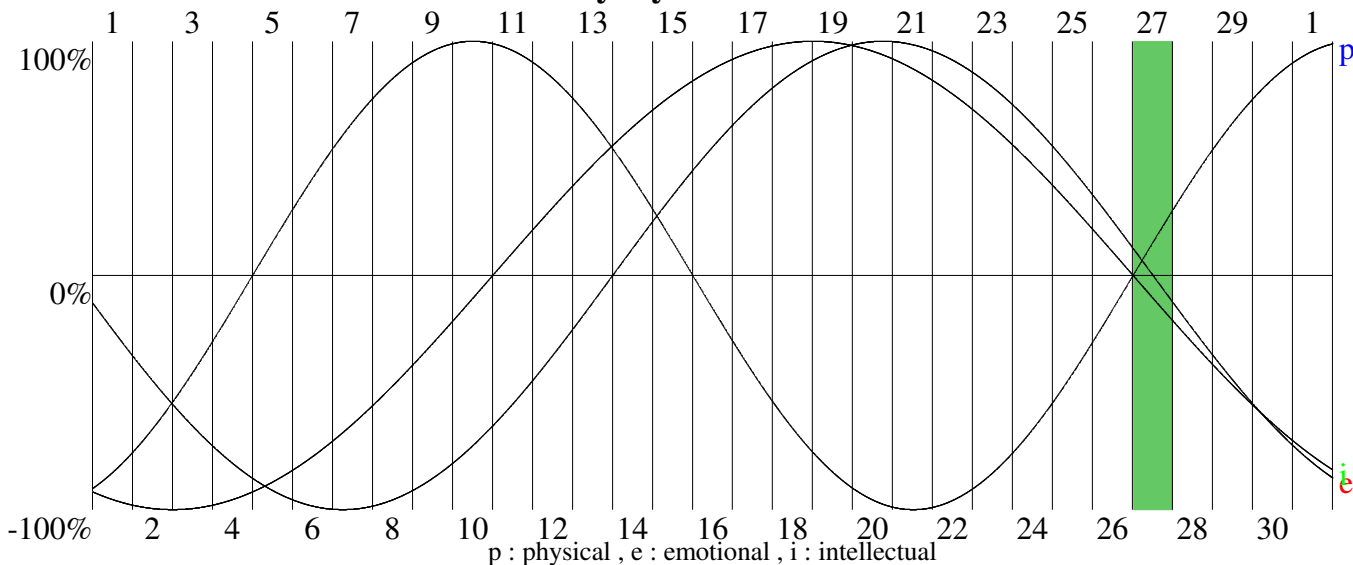

Understanding our positive & negative cycles may assist us in planning physical outings, sporting events, exams, and job interviews and all our activities. Understanding our negative cycles may help us avoid accidents, harmful situations & unnecessary grief and misfortune.

While all precautions have been taken for the accuracy of the complex calculations, the maker of these horoscopes makes no warranties, either expressed or implied.

Challenge Number

Challenges are one of the few areas in numerology where we deduct numbers!

Your Challenge Number = 1

The challenge of the number 1 suggests that in these years, you are likely to feel dominated by others with strong influence, probably parents or others with whom you compete. The challenge of the number 1 is avoidance of being dominated, but doing so in a fashion that does not impose upon or dominate others. With the challenge of the number 1 it's extremely important to control the ego, and avoid the negative aspect of individuality. False pride, pomposity, egotism are issues to be guarded against now. You are now in a period of learning about self-reliance and how to solve your own problems independently. Learn to rely on your wit and your intelligence, avoiding argumentation and resentment.

Ultimate Number

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

Your Ultimate Number = 6

There is no slowing you down as you enter maturity. Your influence grows as you become more dynamic and versatile. You now begin to realize your lifelong goal of freedom.

First Letter

The first letter of your name (use your first name at birth) is called the Cornerstone. It gives

George Bush

you an indication of your character, particularly in the way you approach opportunities and obstacles.

Your First Letter = G

You are very mental. You have a strong willpower and determination. Your vision and imagination may make you quite wealthy. You are methodical, disciplined and orderly, but you can also act quickly when opportunities arise. You may well be clairvoyant.

First Vowel

The first vowel of your first name reveals something of your deeper self. It is a big part of yourself that you do not reveal easily or indiscriminately, and it is usually recognized only by your relatives and friends. The first vowel of your name is the little window through which you allow the uninitiated a glimpse at your deeper self.

Your First Vowel = E

First Vowel (E): “E” sits in the South on the Medicine Wheel. The south is concerned with issues of the heart, relationship, and placement (what’s my place in the world, where do I fit?). The “E” as a first vowel helps you to be more expressive and suggests that your first interaction with the world around you is on a feeling level, and through relationships. This includes your relationship with yourself, with others, with your job, with the community, and with society and the world around you. We know our place in the world because of how we relate to other things in the world. So, the “E” as a first vowel tends to highlight this issue of finding your “place” in the world. The “E,” since it is connected with feelings, sometimes indicates that a person is naturally “clairsentient.” In other words, there is an ability to feel what others are feeling around them, an ability to receive information and insight first through feelings before processing these feelings at a cognitive level. ? People with an “E” as a first vowel are often concerned with what people think of them. They want people to “like” them, and will invest lots of energy to make this so – sometimes inappropriately giving too much of themselves to make it happen. If they perceive that somebody doesn’t like them, it can also cause emotional pain and suffering.
